Re: Chambliss for Senate April Quarterly Report

Dear Ms. Brady:

This letter is in response to your letter of October 7, 2003 regarding the April Quarterly Chambliss for Senate FEC report. I have addressed each of your inquiries separately below:

- 1) Attached please find information for Schedule A pages listing additional contributor information we have found which was not included in the April Quarterly Report. We have demonstrated our "best efforts" to obtain all occupation and employer information. All of our solicitations include a clear and conspicuous request for their information, as well as the requirements of federal law for the reporting of such information. In addition, we made a follow up to this request through phone calls and e-mails. Unfortunately, we were still unable to obtain all of this information and have exhausted our efforts.
- 2) Attached please find information for Schedule B pages clarifying a "purpose" description for a disbursement that was included in the April Quarterly Report.
- 3) Attached please find information for Schedule B pages listing those vendors that were paid via credit card and whose aggregate payments were in excess of \$200. All other vendors were below the aggregate threshold of \$200, and thus are not listed.

Thank you for your attention in this matter and please call me if you have additional questions regarding this filing.

Sincerely,

  
Elizabeth Bissell
